2. Paddam Babu Rao HOD-EEE
3. Maloth Lakpathi, Assoc.Prof.-EEE

AGENDA: to discuss the academic feedback on curriculum all the stake holders to collect their recommendations/suggestions for the best practices/value addition to improve teaching learning process.

The feedback collected and necessary action taken from all the stake holders.

1. Students

2. Teachers

3. Employers

4. Alumni

Students	Students are requested to conduct the guest lecturer on career opportunities for electrical and electronics engineering students	Accepted and conducted guest lecturer on career opportunities for electrical and electronics engineering students on 14.04.2018.
Teachers	Faculty members are requested for faculty development program.	Accepted, faculty development program.
Employers	Students are very good learning latest technologies however few of them are reluctant to adopt new ideas.	New courses related to latest technology are included on curriculum and also focusing on orientation towards entrepreneurship.
Alumni	More courses with laboratory experiences to be added which can give them more practical experience helping them to sustain in the industry.	New curriculum from the academic year (2018-19) consists of integrated courses (theory and practical together). This help in an increased practical orientation of the courses and further it helps to understand concepts with practical exposure.
