

# ABDUL KALAM

## INSTITUTE OF TECHNOLOGICAL SCIENCES

VEPALAGADDA, BHADRADRI KOTHAGUDEM (DIST), T.S.

(Approved by the AICTE, New Delhi & Affiliated to JNTUH, Hyderabad, ISO 9001:2015 Certified Institution)

Sponsored by Global Educational Society

### WE CREATE RESPONSIBLE ENGINEERS FOR THE NATION

**Our Unique Features**

**Experienced Faculty**

**Disciplined academic ambience**

**Soft Skills & Spoken English Classes**

**Employability skills training**

**Excellent Placement**

**Eco-Friendly campus**

**World class infrastructure**

**Separate Hostel for Boys & Girls**

**Transport Facility Available**

### Vocational Courses

Automobile Servicing  
Refrigeration & Air Conditioning  
Interior Design  
Graphics & Multimedia

**Gold Medal Winner**

### COURSES OFFERED

**U.G. PROGRAMMES : B TECH**

- Computer Sciences & Engineering
- Artificial Intelligence & Machine Learning
- Data Science
- Electronics & Communication Engineering
- Electrical & Electronics Engineering
- Mechanical Engineering
- Mining Engineering
- Civil Engineering

**P.G. PROGRAMMES : M.TECH**

- Thermal Engineering (TE)
- Electrical Power Systems (EPS)
- Computer Science & Engineering (CSE)
- M.B.A :**
- Finance
- Marketing
- Human Resources Management

**DIPLOMA PROGRAMMES**

- Electrical & Electronics
- Mechanical
- Mining
- Civil
- Cse

## COMPUTER SCIENCE AND ENGINEERING, AIML, DATA SCIENCE

A career in IT is considered one of the highest paying jobs and full of opportunities; particularly when India's prowess in information technology industry is recognized across the globe. The pool of talented computer engineers working in IT companies in the US and Canada shows that IT can take a person to higher levels. Computer engineers also have plenty of opportunities to work in IT companies

## ELECTRONICS AND COMMUNICATION ENGINEERING

In the last two decades there has been an exponential upsurge of activity in the realm of Electronics and Communication Engineering. The department of ECE at AKITS well established with advanced Technology to create Resourcefull manpower to addresses the future industrial and educational needs.

## ELECTRICAL AND ELECTRONICS ENGINEERING

India is one of the major producers of electrical and electronics engineering professionals in the world. The goal of the department of EEE is to create engineers with high technical skills in the field of electrical and electronics engineering, suitable for employment in reputed firms globally and for higher studies.

## MECHANICAL ENGINEERING

Mechanical engineering is one of the oldest branch of engineering. The most appealing feature of mechanical engineering is that the applicability of this field of study is extremely broad and diverse

## CIVIL ENGINEERING:

The department of civil engineering in AKITS has well qualified experienced faculty. The department has been organizing various programmes to enhance institute-industry linkage field visits and national workshops. The department has fully functional laboratories and computer aided design laboratories has software's such as ETABS/SAP/AUTO CAD/ Resist/MDAS/Excel spread sheets for design of steel and concrete structures.

Md. Abdul Muneer

B. Vinod (Mining HOD)

## MINING ENGINEERING

The modern world depends on mining. A career in mining engineering has come to be highly rewarding. Worldwide the median income for a geological engineer is Dollar 83980 per year this is significantly higher than the median annual wage for most other occupations the highest paid 10% of these professionals earned more than dollar 140,000 per year. Mining engineering from AKITS are trained to be most the best in the world and are in great demand in the industry.

Md. Azmath Pasha (MBA HOD)

## MASTER OF BUSINESS ADMINISTRATION

Quality teaching and adoption of high-tech learning resources are the foundations of the MBA department. Emphasis is always given to the overall development of the students.

### Training and Placement

The Training and Placement Cell imparts training to students from the First year onwards & giving emphasis to motivational skills, communication skills, interpersonal relationships, leadership qualities, group discussions and interview techniques.

V. Venkateswara

## HUMANITIES & SCIENCES :

Strongly acknowledge as the footing subject for all other branches of engineering discipline. The H&S Department Aims at providing competitive quality of education & its support the students to lay the basic profound foundation of information and knowledge. To All the branches Engineering

H. Lakshmi
